

REMARKS

This Amendment responds to the Office Action dated May 5, 2005 in which the Examiner stated that the application is in condition for allowance except for formal matters.

As indicated above, a new title has been provided which is directed to the invention. Applicants respectfully request the Examiner approves the new title.

As indicated above, minor informalities in the specification have been corrected. Therefore, applicants respectfully request the Examiner approves the corrections and withdraws the objection to the disclosure.

As indicated above, claim 4 has been amended to correct an informality. Applicants respectfully request the Examiner approves the correction and withdraws the objection to claim 4.

The prior art of record, which is not relied upon, is acknowledged. The references taken singularly or in combination do not anticipate or make obvious the claimed invention.

Thus it now appears that the application is in condition for reconsideration and allowance. Reconsideration and allowance at an early date are respectfully requested.

If for any reason the Examiner feels that the application is not now in condition for allowance, the Examiner is respectfully requested to contact, by telephone, the applicants' undersigned attorney at the indicated telephone number to arrange for an interview to expedite the disposition of this case.

In the event that this paper is not timely filed within the currently set shortened statutory period, applicants respectfully petition for an appropriate extension of time.

The fees for such extension of time may be charged to our Deposit Account No. 02-4800.

In the event that any additional fees are due with this paper, please charge our Deposit Account No. 02-4800.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
